

CORPORATE COUNCIL SPONSORSHIP PROGRAM

At the Liberty Education Foundation, we believe education should not only prepare students for their futures, but inspire them to be curious, lifelong learners and pursue their passions to lead fulfilling lives.

Our impact extends beyond a single school to include all 12,500 students within our 19 Liberty Public Schools.

Our Corporate Council is a group of businesses who are advocates for Liberty Public Schools. Members of the Corporate Council recognize the importance of public education to an innovative workforce, to current employees and their families and to making the community a vibrant place to live, work and learn.

Join our local business community in supporting our students, faculty and staff!
